

Uttar Pradesh

U.P. Government launches new programs to double Farmers Income

January 6, 2021

Relevant to M&M- FES, FAAS

What are the various programmes?

- Under the 'Kisan Kalyan Mission', various programmes have been organised for the well-being of the farmers such as exhibitions of agriculture and the associate sectors, including the products of livelihood missions and MSME sector units will be organised. Meetings on a regular basis will be organised for the farmers in which scientists, progressive farmers, and the workers associated with the Agriculture Department will be explaining scientific farming. They will also provide information about the schemes of the government. Also, farmers will be benefitted from various schemes of the agriculture department.
- Under this programme, the UP government also felicitated 100 'progressive farmers' from all 75 districts of the state. The Agriculture Department selected these farmers as role models for local farmers from every district who will inspire the local farmers by sharing their success stories. Their databases will also be prepared by the government.
- As many as 825 blocks of the state will be taken up under 'Kisan Kalyan Mission'

Kisan Kalyan Mission

- Various programs will be organized under the 'Kisan Kalyan Mission'. Exhibition of Agriculture and the associate sectors will be organized which will be including the products of livelihood missions and MSME sector units.
- Under the program, farmer meetings will be organized in which scientists, progressive farmers, and the workers associated with the Agriculture Department will be explaining scientific farming. They will also provide information about the schemes of the government.
