Ministry of Heavy Industries & Public Enterprises

Inter-Ministerial Committee has been set up to bolster the Capital Sector Goods

November 11, 2020

Relevant to all Mahindra businesses in manufacturing

Why?

- The committee will look into issues pertaining to the capital goods (CG) sector, including technology development, mother technology development, global value chains, testing, skill training, global standards, reciprocity issues and custom duties to make the sector globally competitive and to become the manufacturing hub for the world, an official statement said.
- Initiatives in the capital goods sector require in depth consultations and deliberations with all concerned Ministries/Departments on a regular basis.

How will it work?

- The IMC under the chairmanship of Secretary, Department of Heavy Industries with representation of sufficiently senior-level officers from the concerned Ministries/Departments will meet quarterly.
- Any other Department or expert as required may be invited by the chair, the statement said.
